HUNDREDS (yes, hundreds) OF OPTIONS*

*As long as the choices do not interfere with the structural integrity of the home and fit your budget.

Stand on this land, where soldiers marched to the Battle of Gettysburg. Look in one direction, toward one of Pennsylvania's oldest and most esteemed colleges, a historic theological seminary, and the little town of Gettysburg with its shops and Civil War landmarks. Look another direction to hills covered with bountiful fruit orchards stretching northward to forested mountains inhabited by wild game and graced with sparkling streams and beautiful ski slopes. Discover excellent restaurants, inviting pubs and historic taverns. Gather treasures ranging from cherished antiques to outlet bargains. But most of all live peacefully in this perfect haven, located less than an hour from Frederick or Baltimore, Maryland.
