

J.A. Myers... *The Builder Of Choices*

WHAT does this MEAN?

J.A. Myers Homes offers more CHOICES!

J.A. Myers Homes offers more choices in home styles, locations, features, lending options, incentives, floor plans and products than any other builder AND is licensed to build in PA or MD.

High Pointe

The weekday bustle of the city is exhilarating and the nightlife is exciting. But when you're ready to "come home," chances are you head for the country. In the J.A. Myers community of High Pointe, the panorama of wide streets bordered by lush green lawns and wonderful houses of every description exude tranquility. That this lovely neighborhood is an hour or less from either York PA or Baltimore, MD is just "icing on the cake!"

In addition to its close proximity to major cities, High Pointe is located in an area of southern Pennsylvania that offers so much to see and do. History abounds in close-by Gettysburg and York...Lancaster's Amish Country lies to the east...Harrisburg and the Susquehanna River as well as the "chocolate town" of Hershey and Hershey Park and world-class ski slopes are north, and Baltimore's Inner Harbor, Washington DC and even the shore points are an easy drive south.

Within a 5 mile radius of High Pointe, you can swim, sail, fish, hunt, ride horseback, cheer your favorite driver on at the auto races, tour the famous Hanover Shoe thoroughbred horse farm, visit live theatre, enroll in college courses, dine family style or formally, golf, shop in malls and at outlets as well as charming specialty shops, and browse for antiques and collectibles. You'll live in a highly acclaimed school district, near a modern hospital, and close enough to the country to buy "just-picked" fruits, vegetables and fresh local meats at the Saturday morning market!

Come, see us at High Pointe. It's quite likely you'll want to stay!
